February 10, 2003

Unto the East Kingdom College of Heralds and all others who do receive this letter, greetings from Tanzos Istvan, Eastern Crown Herald!

This ILoI contains submissions received before the 15th of January, 2003 and has 34 numbered items. Commentary, as always, should be sent to the above address and is due on the 14th of March, 2003. Unless otherwise noted, all changes are permissible, and the submitter has not requested authenticity or any other thing of importance. Also, unless otherwise noted, all documentation photocopies are included for sources not listed in Appendix H of the Admin Handbook.

**ANNOUNCEMENT:**

There has been an email list created for commentary on Eastern Internal Letters of Intent. Mail sent to loc@eastkingdom.org will be sent to all subscribers of the mailing list. Hopefully, this will allow our less-knowledgable heralds to see what the more experienced heralds are doing and learn from it, and also to provide feedback on commentary from other commenters . All email to this list is required to be straight ASCII.

To subscribe, send an email to loc-subscribe@eastkingdom.org and reply to the confirmation email it sends back.

Good luck, and thanks again in advance for all the hard work you do!

In service,

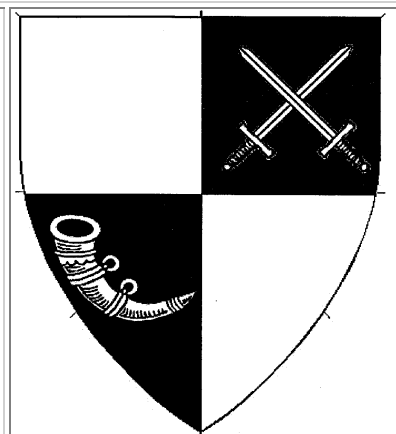

Istvan Eastern Crown

Lenairt (more important, if you must drop one, retain this one) from Aryanhwy's '15th Century Dutch Names' ( <http://www.sit.wisc.edu/~sfriedmann/names/dutch15.htm> ) as a variation of Leenaert that occurred from 1478-81

Melcior from same, 1478-81.

Harmans from same, listed as a variant of 'Herman' from 1518, 1531-32.

Also "Dutch Names" ( <http://home.earthlink.net/~gverver/dnc.htm> ) shows how patronymics were attached to form patronymics prior to 1796 in Dutch - add an 's'!

If this is not exactly correct, the Surnames section of Aryanhwy's article ( <http://www.sit.wisc.edu/~sfriedemann/names/dutch15surnames.htm> ) lists 'Harmansz' and 'Harmanssoen' as surnames based on Harman. Either acceptable if the name must be changed, former preferred.
