Unto the East Kingdom College of Heraldry and all others who do receive this letter, greetings from Eldrich Gaiman, Eastern Crown Herald!

This ILoI contains submissions received before February 15th, 2005 and has 8 numbered items. Commentary, as always, should be sent to the above address and is due on April 15th, 2005.

Good luck, and thanks again in advance for all the hard work you do!

In service,

Eldrich Eastern Crown

1 Caelin of Chepstow (m) - New Name

Herald of Record: Klaus Rother

No changes.

'Caelin' - appears in Ælfwyn Æt Gyrwum's "*Anglo-Saxon Names*" (<http://www.s-gabriel.org/names/aelfwyn/bede.html>) as a male Anglo-Saxon name [*the only spelling listed there is 'Cælin'*].

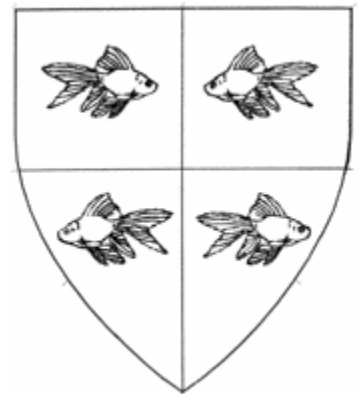

'Chepstow' - a Norman castle in southeast Wales built in 1067, documented online at (<http://www.castlewales.com/chepstow.html>).

2 Elinor Strangeways - New Name & New Device

Herald of Record: Modar Nezenanich and Aceline Barritt

Quarterly azure and argent, in bend two fish contourny argent and in bend sinister two fish azure.

'Elinor' - Found in Mari Elspeth nic Bryan's "*Naming Practices in 16th Century Gloucestershire*" (<http://www.s-gabriel.org/names/mari/GlocNamePractices/RelativeFrequencies.html>).

'Strangeways' - found in Ashmolean Museum of Art & Archaeology, Department of Antiquities website in the listing entitled "Monumental Brass Rubbings for England Dorset", 'Sir Gyles Strangeways 1562'. (<http://www.ashmol.ox.ac.uk/ash/departments/antiquities/brass/counties/Dorset.html>). Additionally, *A Dictionary of English Surnames*, Revised Edition by P.H. Reaney & R.M. Wilson p430, s.n. 'Strangeway', 'Strangways' lists 'Richard Strangeways' 1513.

[The name 'Elinor Strangewayes' appeared on last month's ILoI from a different submitter.]

3 Gwillim Kynith - New Device

Herald of Record: Brita Mairi Svendsdottir

Or, a coney and a fox combattant gules

The submitter's name was forwarded to Laurel on the East Kingdom July 2004 XLoI.

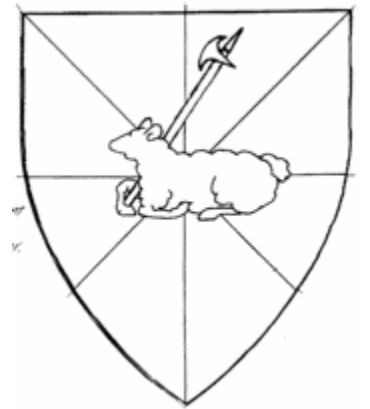

4 Geoffrey Blesedale - New Device

Herald of Record: Alayne Northstar

Gyronny gules and argent, a sheep couchant sable maintaining a halberd blazoned [sic] proper.

The submitter's name was registered in October 2003.

There have been two previous attempts from this submitter to register a device. The first, *Per chevron inverted azure and vert, a goutte Or issuant from the base of the division*, appeared on the East Kingdom September 2002 ILoI and was returned for administrative reasons and for probable conflict. The second, *Per chevron gules and sable, in dexter chief a compass rose argent, in sinister chief a moon in her plenitude argent, in base an acorn over two garbs, all Or*, appeared on the East Kingdom July 2004 ILoI and was returned for containing more than two types of charges in a single charge group (RfS VIII.1.a.). This new submission is a complete redesign.

5 Geoffrey Blesedale - New Badge

Herald of Record: Alayne Northstar

On a roundel argent a sheep couchant sable maintaining a halberd blazoned [sic] proper.

[See previous item for submitter's history.]

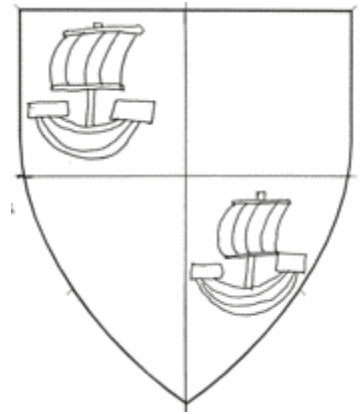

6 Jan van Antwerpen - Resub Device
Herald of Record: Sancha de Flores

Quarterly Or and azure, two lymphads sails unfurled azure

The submitter's name was registered in April 2004.

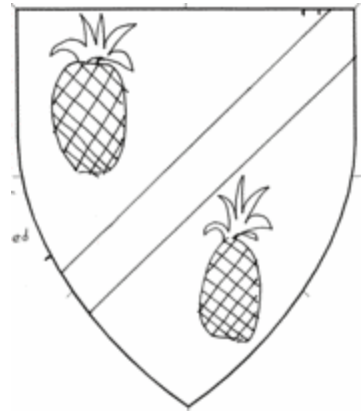

The previous submission, *Quarterly argent and azure, two lymphads sails unfurled azure*, was returned by Laurel in October 2003 for conflict with Lee Sharpeyes, *Quarterly argent and azure, four dhows reversed counterchanged*. This submission clears that conflict.

7 Pamela Gatterlli - Resub Device
Herald of Record: Sancha de Flores

Sable a bend sinister Or between two pineapples Or leaved vert.

The submitter's name was registered in April 2003 when the previous device submission, *Sable, a bend engrailed to base Or between two pineapples Or leaved vert*, was returned for multiple weirdnesses. This new submission addresses the problem by having just a single weirdness for the inclusion of the pineapples, which are new-world flora.

8 Talan Gwyllt - New Device
Herald of Record: Alison Wodehalle

Per pale vert and argent, two horses' heads coupé counterchanged.

The submitter's name was registered in September 2004.
