26 September, 2001

Unto the East Kingdom College of Heraldry and all others who do receive this letter, greetings from Tanzos Istvan, Eastern Crown Herald!

This is the East's fourth ILoI of 2001 (ILoI-2001-04), which contains the first set of submissions from Pennsic 30 and all other submissions I received before War. It was prepared with the assistance of Jadwiga Zajackowa, Diadem.

You will notice that the commentary period for ILoI-2001-03 has not yet expired. Due to the large volume of submissions from Pennsic, expect medium-sized LoIs with overlapping commentary periods every two to three weeks until we get through all of the Pennsic submissions. Commentary should be sent to the above addresses, and is due by October 24, 2001.

Nearly none of these has any attached documentation of any sort other than what's written on the submission forms. In the absence of any indication otherwise, assume that no documentation was provided.
