7 June 2002

Unto the East Kingdom College of Heralds and all others who do receive this letter, greetings from Tanzos Istvan, Eastern Crown Herald!

This is the East's fourth ILoI of 2002, which contains submissions received before May 15, 2002. With this LoI, I hereby give notice that this office is entirely back on track for submissions for the first time in several years. All submissions whose commentary period is over have been decided. All submissions that have been decided have been sent to Blue Tyger Herald for disposition. Reynard should have his work cut out for him as he packages them correctly to go to Laurel. There is NO backlog remaining. (Yes, I'm a week behind. This does not bother me.)

IMPORTANT NOTE: Of late, I have been sending out approximately 20 hardcopy LoIs and nearly the same amount of emailed LoIs. I regularly receive commentary from approximately 6 people or groups. If you wish to remain on the mailing list for Eastern Internal LoIs, please either send commentary or contact me at either of the above addresses and let me know that you do wish to be continued on the mailings. Additionally, as of next month, I'll be stopping numbering the LoIs, in keeping with Laurel practice. Please refer to LoIs in your commentary by date. This LoI would be the LoI of 7 June 2002.

This LoI contains 10 numbered items.

Commentary, as always, should be sent to one of the above address. Commentary on this letter is due by Friday, July 5, 2002

In service,

Istvan Eastern Crown
